

Moline and East Moline

ST RECEIVE APPROVAL OF CHARITY PLANS

East Moline business men will support no charitable cause until the organization promoting the same has first reported to a special committee which was appointed by the business men at meeting last night.

The committee comprises Frank Shearman, E. H. Setzer and J. W. Ryan, all East Moline bank owners. The appointment of the committee was brought up by the business men at meeting last night following a talk by Mayor C. W. Johnson, the boys' band's most ardent advocate.

Mr. Casto will probably direct the band, which the club hopes will soon become self-supporting.

Plans for giving a minstrel show, probably before the holidays, were placed entirely in the hands of the minstrel show committee composed of J. W. Casto, J. E. Chambers and Ralph Stolz.

It was announced that the boys' band will be put on the production which the business men hope to make the biggest home talent show ever staged in East Moline.

Announcement was made that temporary sign posts directing strangers to East Moline were almost completed and members volunteered to devote at least half a day to putting them up. As soon as the roads are fit the business men plan to tour the surrounding country for this purpose.

The following standing committee were appointed for the coming year: Finance, Jean A. Pope, J. H. Anderson, Ralph Stolz; members, J. M. Westphal, A. E. Bergbohn, Carl Nyquist; entertainment, Delos Metcalfe, Dr. A. E. Baker, Ted Schaefer; civic improvement, J. M. Westphal, C. E. Mitchell, Hollis Warren; and members mercantile and retail trade, Delos Metcalfe, R. V. Spivey, Oscar M. Heider; house, A. E. Bergbohn, Oscar O'Dell, G. O. Johnson.

FISHER TO TALK AT OPENING PROGRAM FOR LOGAN SCHOOL

Mr. C. Fisher, superintendent of Rock Island schools, will give the dedicatory address at the formal presentation of the new Logan school to the people of that district. The exercises will take place in the Logan building tomorrow evening. William P. Hunt, president of the board, will preside.

Following the program, which in addition to Mr. Fisher's talk will consist of musical numbers by the students and outside talent, luncheon will be served by members of the Logan school Parent-Teachers' association. A tour of the building, which was just completed this fall at a cost of \$80,000, will then be made.

Threat of a diphtheria epidemic in the district leads school authorities to abandon the idea of a program for a time but it is believed the danger has now passed.

MISS AINSWORTH COACH

Joseph Ainsworth has been accepted as coach of the Moline high school girls' basketball team this fall and C. W. Holmgren directed to continue fall work with the boys' team.

Employment of a band for the Thanksgiving day game will be taken up with the Maroon and White association. It is believed that the athletic organization and the alumni boosters' club will be able to guarantee funds for the game. Preliminary financial statements indicated that despite unusually heavy expenses this fall the football season will show a profit.

MOLINE OBITUARY

Mrs. Lucien Ellison. Word has reached Moline of the death of Mrs. Lucien Ellison, wife of Rev. Lucien Ellison, well known in this city, which occurred yesterday morning at Zilla Grove, Ill., where she had made her home for some time.

Although Mrs. Ellison never resided in this city she had visited here several times, her husband's mother, Mrs. D. E. Ellison, being a resident of this city.

Funeral services were held this afternoon in the home at Zilla Grove, after which the remains were taken to Macomb, Ill., her former home, where services will be conducted Monday afternoon. Interment will be in the Macomb cemetery.

Mrs. Ellison, who prior to her marriage was Miss Golda Whitsett, was 32 years of age. She was reared at Macomb, where she leaves a host of friends to mourn her death. Rev. Mr. Ellison is well known in Moline.

Surviving the deceased besides the widow is a son, Lester Ernest, aged 1 year; her mother, Mrs. Whitsett; two sisters and one brother, all residing in Macomb.

OPEN TICKET SALE FOR JUNIOR PLAYS

Sale of tickets to the annual dramatic program presented by the junior class of the Moline high school is already under way. Reservations may be made Tuesday.

The plays will be given in the auditorium Friday evening.

"The Florist Shop" and "Where But In America" have been selected for this year's production. Each play is considered an example of the one-act play in America and represents literary as well as dramatic excellence. Rehearsals have been in progress for some time and final work indicates a program quite up to the high standard of the junior plays.

The cast for "The Florist Shop" follows: Maudie—Gail Strong; Henry—Harold Sohner; Goldstein—Philip Mahoney; Miss Wells—Eveline Langman; Mr. Jackson—Arnold Johnson.

In the cast of "Where But In America" appear: Robert Espenhayne—Warren First; Mollie Espenhayne—Olive Hessler; Hilda—Margaret Espling.

CITY GENEROUS TO NEWEST ADDITION

Moline has spent twice as much money improving Highland addition as will be required in taxes from that district in the next two years, say city officials. Despite this fact plans are underway to improve the section still further.

Chief improvements this year included building up of roads and sidewalks, cutting down of hedges and grading. The addition has been a part of the city for only a year but already is being thickly settled.

Most of the improvements for next year will be paid for by special assessment of property owners in the addition. They will consist largely of sewers and sidewalks. Property owners of Highland have not formally petitioned the board of local improvements for special assessment improvements, and there is some question as to the attitude of Highland on this proposition.

MUST PAY WATER RENT

Water service has been shut off from several consumers in Moline who failed to pay their water rent under the new ruling put in force a few weeks ago.

Several dozens others have paid a penalty for delaying payment to the city clerk. The consumers affected are on a flat rate. Rent for metered service are now due but the time limit for paying without penalty has not expired.

CALLED TO ROOF FIRE

A small roof fire at the home of Mrs. Hattie S. Tyler called out the East Moline fire department at 9:30 this morning. Flames were quickly extinguished at a loss not exceeding \$20. It was the first run the department has made in several weeks.

CRIPPLED MAN FALLS ON WALK; IS BADLY HURT

Louis Kepple, Unconscious 24 Hours, May Die—No One Saw Accident.

Louis Kepple, 123½ Fourth avenue, Moline, was seriously injured yesterday afternoon when he fell on the sidewalk in front of a soft drink parlor at 1208 Fourth avenue. He is suffering from concussion of the brain and may die.

Mr. Kepple, who is one-armed, was picked up by Policeman Fromme. He was removed to the Lutheran hospital, Dr. Gibson, who is attending him, holds out little hope for his recovery.

No one seems to have witnessed the accident and as Kepple has not regained consciousness since the mishap, 24 hours ago, little information can be gained concerning the affair. Men in the saloon, when questioned by the police, said they understood Kepple fell to the sidewalk and unable to save himself from the force of the blow, was badly hurt. They knew nothing more about it.

MOLINE BRIEFS

Nominal damage was done to the home of A. J. Leopold, 2110 Fifth avenue, at 5:20 this morning when shingles on the roof caught fire. The blaze started in two places, but was quickly extinguished.

Frank Pevilaits, 32 years old, 427 Eighth street, was adjudged insane yesterday afternoon by a commission of physicians and has been committed to Waterbury hospital by Judge N. A. Larson.

George Walters was fined \$3 for speeding yesterday afternoon. H. L. Madison was found guilty of speeding last evening and was fined \$5.

Kenneth Tilton, 2609 Fifteenth avenue, was found guilty yesterday afternoon of violating the parking ordinance and was fined \$1 by Magistrate Gustafson. Tilton parked his car for more than 30 minutes on Fifteenth street between Fourth and Fifth avenues.

POLICE MAKE VAIN SEARCH FOR NEGRO STEALING CLOTHES

Thorough search of the colored district of East Moline was made last night by police authorities for a negro described as being five feet eight inches tall and about 20 years old, who it is alleged, stole clothing valued at \$250 from a section car at Rio, Ill.

Cecil Nichols is preferring charges against the negro. Nichols told police last night that he had traced the man from Rio to East Moline and that on the way his man had been arrested twice, once by Rock Island police and once by Rock Island police. He was released on both occasions for lack of evidence. Nichols had been informed of the arrests after arriving in each city a few hours too late.

Nichols said he had been employed in the same section gang with the man he is pursuing and that the clothes were stolen from his box-car home Wednesday night.

Police were unable to find a strange negro in East Moline or any that answered Nichols' description. Nichols states that a colored porter on a Rock Island train gave the fleeing negro carfare to East Moline.

WORK OF RED CROSS IN MOLINE PRAISED IN TALKS AT RALLY

Praise of the Moline chapter of Red Cross and a plea to make it the best in the state and in the Mississippi valley was the theme chosen by William Butterworth, president of the chapter, in his talk before the Armistice night rally at the Moline high school last night. Mr. Butterworth's remarks were illustrated with motion pictures, a record of the national organization.

Dr. W. E. Taylor paid tribute to the men who served in the great war and paid equal tribute to the one organization that in the midst of passion and hate gave to suffering friend and foe alike. R. B. Lourie spoke almost entirely on the local chapter's record both in war and peace time. There was much singing, and J. E. Ryan, head of the membership roll call in East Moline, read the lecture which accompanied the central division stereopticon story of its work.

"Moline is recognized all over the United States for the record of work it has done and for the number of members," Mr. Butterworth said in opening the meeting. "This chapter is painted to all chapters not only in the central division but throughout the country, as one of the most progressive of those which have continued their work."

Chapter leaders hope now to establish in Moline a health center, and with continued support of the local chapter will be able to attain a health standard second to none in the United States.

Drive for membership starts in earnest today and will be chiefly a house to house canvass. Solicitations will not be made in factories until next week.

Kansas City Cash Grain

Kansas City, Mo., Nov. 12.—Cash wheat: unchanged to 5c lower; No. 1 hard, 1.76@1.83; No. 2, 1.74@1.82; No. 1 red, 2.05; No. 2, 2.02.

GRAINS FALL TO LOWEST LEVELS SINCE YEAR 1916

Chicago, Nov. 12.—General selling forced all grain today to the lowest price level since 1916. Uncertainty over the financial outlook and industrial conditions were leading bearish factors. Besides, it was said, definitely that the British Royal Commission and the Belgian government were out of the export wheat market this morning. Opening wheat quotations, which ranged from 1¼c to 3¼c, with December \$1.78½ to \$1.79, and March \$1.71 to \$1.72, were followed by a material further setback and then by a rally which, however, was not well maintained.

Subsequently, indications of export business with Italy had only a transient stimulating influence. The market closed nervous, 2½c to 5c net lower, with December, \$1.76 to \$1.77½, and March \$1.69 to \$1.69½.

Corn went lower in sympathy with wheat. After opening ¾c to 1¼c including December at 75c to 75½c, the market recovered a little and then sagged again.

Shorts covered freely, but there seemed to be no other demand. The close was unsettled, 1¼c to 2¼c net lower, with December, 74½c to 74¾c, and May 79½c to 79¾c.

Oats reflected the weakness of other cereals, although only to a relatively slight extent, starting unchanged to ¾c down, May 53½c to 54c, and descending a little further.

Provisions were somewhat easier owing to grain weakness.

MARKET REACTS AS SHORTS SHOW WEAK FEATURES

New York, Nov. 12.—The stock market today became reactionary during the morning as shorts uncovered new features of weakness. Leather and rubber shares were under persistent pressure. Hide & Leather, preferred, and Endicott-Johnson breaking ¾ and 5 points respectively, and United States Rubber dropped two points. Atlantic Gulf increased its loss to 4 points. Royal Dutch and the Mexican oils became irregular and sugar continued to weaken. Temporary rallies were led by investment rails but the cheaper or speculative transportations were heavy, notably New Haven. Fresh selling before noon was attributed to disappointment at the 9 per cent opening and renewal rate for call money after yesterday's closing price of 7 per cent.

Chicago Livestock

Chicago, Nov. 12.—Cattle: receipts, 5,000; desirable grades beef steers very scarce and unevenly higher; nothing choice here; common kind and bulk she-stock, steady; canners and cutters, strong, largely 3.60@4.50; bulls, weak to lower; calves, stockers and feeders, steady.

TODAY IN ALEDO AND MERCER COUNTY

STUDOR WIRES ELEPHANT WILL MARCH IN LINE

Congressman William Mason Not to Speak at Rally—Plan Dance in Evening.

A telegram from Harry A. Studor, chairman of the parade committee for the big Republican rally next Tuesday to D. E. Farr, vice chairman of the general committee, states that he has obtained an elephant for the parade. No details as to the size or color of the animal was stated, but an elephant of some sort is certain to be on hand for the big show.

Word has been received from Congressman-at-Large William A. Mason that a previous engagement will prevent him from speaking at the rally. No one has been secured at present to take Mason's place.

An attempt to close restaurants during the evening in order that the churches and American Legion may have full sway with their boost has not as yet been successful. A. E. Jones is backing the movement to close the eating houses during the evening.

Plans for a dance at the Aleo opera house after the parade are being made by several of the young men of Aleo. It is thought that this will be a popular addition to the attractions already planned for the rally.

Ammunition for the guns, which will be fired by ex-service men, was brought to Aleo yesterday afternoon from the Rock Island arsenal by Fred Jobusch. No danger need be feared by the crowd watching the ex-service men fire, as the ammunition is blank.

ALEDO BOYS MEET LOSS AT HANDS OF TABLE GROVE CLUB

Aledo high school football men were defeated yesterday at Table Grove, when the community high school football team there won by a score of 67 to 0. Although the local men had prepared for the game with hard practice they found the Table Grove men too fast for them and were unable to secure a single touchdown. The Table Grove boys proved that besides being excellent football players they were also hospitable hosts, for they had planned a chicken dinner and dance for the Aledo men. Coach Roberts and his men returned home last evening, coming by way of Galesburg, where they were met by automobiles.

BEG PARDON.

The meeting of the American Legion announced for last night will be held tonight. New officers for the post will be elected at the meeting.

CHILD RECOVERING.

Arnold Kemp, 2-year-old son of Mr. and Mrs. A. R. Kemp, who was operated on for appendicitis at the Monmouth hospital, is reported to be recovering nicely. The physicians at the hospital stated that the case was a very unusual one, as it is seldom that so young a child is operated on for appendicitis.

BASKETBALL GAME.

The Methodist Sunday school basketball team will play the Viola Methodist team tonight at Viola. This is the first game played this season by the Aledo team.

HUMOR BY WIRE

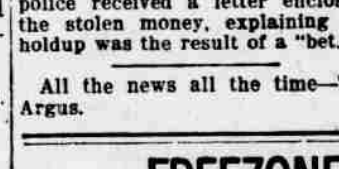

New York.—Rocco Giacania, ordered to pay back alimony, was arrested for burglary two hours later. He said he had rather be in Sing Sing than pay his ex-wife \$1 a week, police said.

TEACHERS' EXAMS.

Today is the first day for the teachers' examinations at the office of the superintendent of schools, C. E. Platt, in the court house. The dates for the examination were originally for Thursday and Friday, but the state examining board changed the dates to Friday and Saturday. There were 15 enrolled to take the examinations this morning and more were expected to enroll this afternoon.

BOOSTERS OFF FOR MONMOUTH

Committee Meets Last Night at Aledo State Bank and Completes Data.

One hundred Aledo boosters for the bond issue route No. 3, between Rock Island and Bushnell, left Aledo in cars this morning at 7 o'clock to attend the meeting called by the state highways superintendent in the Monmouth court house in connection with the location of the road. The committee from Aledo, which is composed of Mayor S. E. Bolton, C. T. Detwiler, D. E. Farr and W. C. Graham, met last night at the Aledo State bank and completed the plans for presentation of the data and information obtained which will be used in Aledo's plea for the route. Mr. Detwiler will speak for the Aledo delegation. He will be supplemented by Mayor Bolton.

Delegations from all over Mercer county, including Joy, Mather, Viola, Burgess and Preemption, will be present at the meeting. One person from each delegation desirous of securing the road will be heard at the meeting. The delegation from Aledo included men from Mercer, Perryton and Ohio Grove townships, and was in charge of T. D. Winters. If Aledo should secure the road, it will benefit the city to the extent of approximately \$60,000 for one mile of pavement. It will also insure the pavement of East Twelfth or North Locust street, whichever route is selected out of town to the north.

CHESTER SALE.

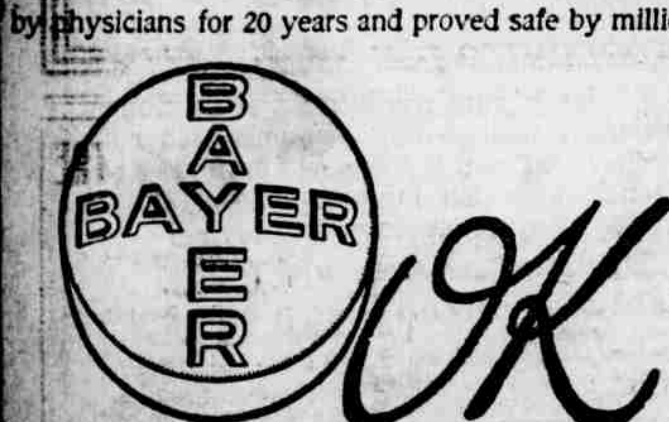

Frank E. Sherer held his second fall sale of Chester White boars and gilts at the Warnock sale pavilion in Aledo today. The sale was planned especially for farmer trade and the consignment included boars and gilts from Sherer's Monmouth and Alalfa farms. James R. Moore, fieldman for the Chester White Journal, and C. C. Evans of North English, Iowa, conducted the sale.

TEACHERS' EXAMS.

Today is the first day for the teachers' examinations at the office of the superintendent of schools, C. E. Platt, in the court house. The dates for the examination were originally for Thursday and Friday, but the state examining board changed the dates to Friday and Saturday.
